BushwickBK.com: hai
BushwickBK.com: In light of the demonstrably key role that the Internet played in Tunisia and Egypt thus far, and in a certain small sub-Saharan country soon enough
me: yes
BushwickBK.com: not sure Eritrea can be described in relation to the Sahara
BushwickBK.com: I mean, it CAN
BushwickBK.com: but it's not usually
me: that's fine
me: you know that it's not just about Eritrea, right?
me: to the extent that rumors say Anon will strike sub-Saharan country
me: such a country might rise up
me: if so, good lol
BushwickBK.com: totally
BushwickBK.com: Djibouti was awes
BushwickBK.com: that's not a come on
me: yep
BushwickBK.com: zim had some protests a while back
BushwickBK.com: it's interesting that all it took was a couple examples of success
me: yep
BushwickBK.com: to get the world rioting
me: that's how iit works
BushwickBK.com: even, annoyingly, those cocksuckers in wisconsin
BushwickBK.com: revoltingly describing their plight as similar to egypt's
